Dear Dr. McAllister:

I am writing to inquire of the availability of research funds from the Council for Tobacco Research and what needs to be done to apply for any such funds. I have been working in the area of leukocyte/endothelial interactions for several years and believe that some of my interests and work are applicable to your agency. I would appreciate any information that you might be able to send me in regards to research funding and applications.

Thank you.

Sincerely yours,

Richard L. Hoover
